

B4UB Upright Bike

ENDURANCE
by Body-Solid

LED Display Console

The B4UB features numerous programs including Manual, Strength, Cardio, Hill, Fat Burn, Interval, Speed Training, Fitness, Watt, Personal, Target Heart Rate and Random. Real-time feedback gives users speed, RPMs, heart rate, distance, time, watts and calorie readings on an easy-to-read bright LED display.

B4UB Upright Bike

The Endurance by Body-Solid B4UB Upright Bike is a comfortable, easy-to-use, cardio bike for home and commercial use. The B4UB Upright Bike gives users the experience of a road bike in the comforts of a home workout space or fitness facility. Ergonomic handlebars provide a wide range of hand positions for users and offer stability and safety when getting on and off the bike. Designed for comfort even on long rides, the B4UB Upright Bike's DuraFirm Seat features custom shaping and extra support. The two-way adjustable seat also guarantees that users of all sizes can find a comfortable, stable fit.
