

BFSB5 Indoor Training Cycle

BFSB5 **Indoor Training Cycle**

The Best Fitness Indoor Training Cycle offers a true road bike feel at an unbelievable value. A challenging 40lb. flywheel provides smooth action. The top-down breaking mechanism makes adjusting the tension very easy. The unit is very compact, taking up a footprint of 3'x4'. The two way adjustable seat and adjustable handlebars allow users of all sizes a proper fit. Transport Wheels allow the unit to be moved very easily.
