

EXM2500S

Body-Solid - Selectorized Home Gym

Body-Solid®
Built for Life

EXM2500S Selectorized Home Gym

Fitness magazines and leading consumer reporting magazines alike rave about this versatile fitness machine. Simple design, maximum performance and a minimum price were the blueprints used to develop the EXM2500S. Only the best materials have been used; 2" x 4" x high tensile strength steel, oversized hardware, 2200 Lb. test cables and fiberglass reinforced nylon pulleys. The EXM2500S can perform your most demanding strength training routines. Featuring a Chest Press, Perfect Pec Station, Leg Extension/Leg Curl, Lat Pull Down, Seated Row, Ab Crunch, the EXM2500S offers more features, more stations, and more value than any other gym manufactured today!
