

GAR75 Body-Solid Corner Storage Rack

Body-Solid®
Built for Life

GAR75 Corner Storage Rack

Conquer clutter and reorganize gyms and facilities with the Body-Solid GAR75 Corner Storage Rack.

This sleek, robust, and elegant four-tier storage rack offers the perfect storage solution for gym essentials like kettlebells, resistance tubes, resistance bands, and more.

The GAR75 features four generously large shelves and four sturdy side hooks that keep everything in the gym organized and within arm's reach. Made from quality steel, you can load the GAR75 up (each shelf can handle 200lbs of weight).

Upgrade and organize with the Body-Solid GAR75 Corner Storage Rack.

Weight: 65 lbs.

Dimensions: 21"L x 21"W x 42"H
