12 pair Vertical Dumbbell Rack

Keep your dumbbells close at hand with the all-new Body-Solid GDR24 12-Pair Vertical Dumbbell Rack. Designed to hold up to twelve vinyl or neoprene dumbbells ranging from 1lb to 15 lbs., this rack is the perfect complement to any workout space. The space-saving design includes individual cradles for each dumbbell and solid steel construction ensures durability in any setting. The GDR24 12-Pair Vertical Dumbbell Rack is the ideal storage option for both home or commercial use.

Dumbbells shown are optional.

Weight: 34 lbs.
