

GDR500 Commercial Vinyl Dumbbell Rack

Body-Solid®
Built for Life

GDR500 Commercial Vinyl Dumbbell Rack

The GDR500 Commercial Vinyl Dumbbell Rack is designed for easy storage of vinyl dumbbells. Vertical storage allows for over 100 vinyl dumbbells or Neoprene Dumbbells, from 1-15 pounds, to be stored in a compact space with easy access. Heavy gauge steel provides a solid and stable storage solution. Heavy-duty casters for easy transportation. The perfect companion for your Body-Solid Tools Vinyl or Neoprene Dumbbells, the GDR500 Commercial Vinyl Dumbbell Rack is compact, stable and affordable.

Dumbbells sold separately
