GHMR10

Mobile Hanging Mat Rack

The Body-Solid GHMR10 Hanging Mat Rack provides a convenient storage solution for up to 20 hanging foam mats, keeping them clean and off the floor in fitness centers and studios. Its wheeled design allows for easy transport, while the option to remove the wheels provides stability for stationary use.

Special Features

- Convenient storage for up to 20 Body-Solid Tools BSTFM20 Hanging Foam Mats
- Roller wheels for easy transportation
- Storage pegs are 19.5" apart
