

R300 Endurance Rower

ENDURANCE
by Body-Solid

Display Console

The interactive console reports on time, heart rate, calories, paddle width, stroke rate, distance cycle and watts and is Polar compatible. 8 different exercise programs -Quick Start, Distance, Time, Calories, Game, Intervals (20/10. 10/20. 10/10) are also built into the console.

R300 Endurance Rower

The Endurance by Body-Solid R300 Indoor Rower delivers an effective low-impact cardio and total body workout. Not only does the rowing movement provide users with high-intensity calorie-burning cardio but works quadriceps, hamstrings, abdominals, obliques, lats, biceps, triceps, hip flexors and more. User-controlled air resistance puts users in full control for a balanced and coordinated workout. The R300 is a self-generating machine eliminating power requirements for peak energy efficiency in home or commercial settings. A precision-engineered flywheel design minimizes noise. Nickel-plated chain offers unmatched durability in even the most intense environments.

Weight: 82 lbs.

Dimensions: 95"L x 24"W x 40"H

Special Features

- User-controlled air resistance wheel responds to your level of intensity
- Self-generating machine eliminates power requirements
- Flywheel design minimizes noise
- Easily separates into multiple pieces for easy storage

Warranty

Frame & Welds	15 Years
Parts	3 Years
Electronics (Excludes Batteries)	2 Years
Wear Parts	6 Months
Labor	1 Year
