SBBR100

Fixed Weight Barbell Rack

The Body-Solid Pro Clubline SBBR100 Fixed Weight Barbell Rack provides convenient and easy-access storage for up to 10 fixed-weight barbells, including Body-Solid Tools' SBB Straight Barbells and SBZ EZ-Curl Barbells.

The welded j-cup style bar holders feature a heavy composite lining to protect the bar's finish.

The SBBR100 is built to accommodate all fixed-weight barbells as well as barbells with at least 34" between weight heads and is perfect for facilities that want to keep their free weight areas clean and organized.

Weight: 139 lbs.
Dimensions: 40"L x 37"W x 62"H

Special Features

- Easy access storage for up to 10 Fixed-Weight Barbells
- Composite lining protects bar finish
- Heavy gauge steel mainframe
- Full commercial rating
