SBS100

Horizontal Bar Rack

The Body-Solid Pro Clubline SBS100 Horizontal Bar Rack provides convenient, portable and easy-access storage for up to 10 Olympic barbells. The welded j-cup style bar holders feature a heavy composite lining to protect your bar's finish. The SBS100 Horizontal Bar Rack is built to accommodate 6ft and 7ft Olympic bars and is perfect for facilities that want to keep their free weight areas clean and organized.

Special Features

- Easy access storage for up to 10 Olympic bars
- Composite lining protects bar finish
- Fits 6ft and 7ft Olympic bars
