S2ABBX Series II Ab and Back Machine

The Body-Solid Pro Clubline Series II S2ABBX Ab & Back Machine is a commercial-rated, dual-function powerhouse, allowing users to safely perform both Ab Crunches and Back Extensions on a single, space-saving unit. Built for stability and comfort, it features heavy-gauge steel construction, a six-position cam for full range of motion, and thick DuraFirm™ pads for a superior workout experience.

Special Features

- 2"x3" 11-gauge steel mainframe
- 6 position cam ensures full range of motion
- Advanced protective coating on cam extends cable life
- Foot brace to provide lower body stability
- Fully shrouded
